

PAWS STAY & PLAY

Owners are welcome to bring their own blankets or toys if desired, however we cannot guarantee that they will be returned in the same condition or at all. We provide bedding, therefore we ask that you please leave those at home unless you feel it is critical to your dog's stay. As stated above, we can't guarantee that any item goes home in the same condition or at all.

All dogs must be healthy, and current on all vaccinations. You will be required to bring a copy of your dog's updated vaccination records from your vet before you start daycare or board with us to ensure your dog's safety as well as that of our other guests. In specific, the Bordatella vaccine must have been given at least 10 days prior to any boarding/daycare stay with us if it is done via needle. If it was done thru the nose, 3 days must be given.

Dogs with flea or tick problems will be bathed at the owner's expense at a dog grooming of our choice, If during a stay it becomes necessary to bathe your dog Paws stay and play will do so, at the owners expense.
